Contains 4 mg Astaxanthin,
10 mg Vitamin E, lutein,
beta-carotene and Canthaxanthin

The Super antioxidant

60 softgels
for 2 months of use

Royal Green Astaxanthin

Astaxanthin belongs to the carotenoids family and is one of the most powerful antioxidants available. Royal Green Astaxanthin comes from the 100% natural micro algae *Haematococcus pluvialis* and is grown in an extremely clean GMP certified environment on Hawaii. By using a unique supercritical CO2 extraction process and the highest quality standards Royal Green Astaxanthin offers superior quality and purity. Scientific research shows that Royal Green Astaxanthin is 14 times stronger as an antioxidant than Vitamin E, 20 times stronger than synthetic Astaxanthin, 53 times stronger than beta-carotene and even 64 times stronger than Vitamin C. Royal Green Astaxanthin helps

to protect against free radicals, supports the immunity, the condition of your joints, skin and circulation. Contributes to good cholesterol and is used for more endurance, more strength and faster recovery after a sports effort.

Royal Green uses absolutely no chemicals, preservatives, synthetic sweeteners or flavour enhancers. Naturally gluten free. Experience the difference now!
